convener A. Paul - keynote by E. Kissling (to be confirmed)
- * Open session on alpine-type orogens
- * Teaching the Alps: from research to vulgarization
convener R. Cirio

a special volume will be published in an international peer-reviewed journal

FIELD-TRIPS

13th-14th SEPTEMBER

- * 1A Collision kinematics, thermicity, and fluid flow in the Ext. Alps - *contact: nicolas.bellahsen@upmc.fr*
- * 1B Alpine HPmetamorphism in the Viso massif
contact: philippe.agard@upmc.fr

18th-19th SEPTEMBER

- * 2A From a margin to an ocean
contact: gianreto.manatschal@eost.u-strasbg.fr
- * 2B W-Alpine neotectonics and brittle deformation
contact: christian.sue@univ-fcomte.fr
